RECRUITMENT
LIMITED

CJS Recruitment is a leading recruiter in the construction sector in the South East. With Offices in London and Kent, CJS Recruitment provides a wide range of recruitment solutions to clients in London, Kent, Surrey and across the UK. Our flexible, professional approach allows us to supply specialised construction recruitment professionals and quality trades people to Main contractors & contractors within the construction industry and in particular the fit out sector of the industry.

With over 20 years of industry experience, CJS Recruitment knows that the success of any construction project depends on the talent and dedication of the personnel involved. We focus on the needs and requirements of all of our clients so that the right service and the right individuals are provided for each specific job, exceeding expectations every time. Our team are passionate about offering the very best for all our clients, both candidates looking for the perfect job, and companies filling their permanent or temporary roles with the very best people in their field. We always look for compatibility and quality, and our industry knowledge will deliver exactly the services that are needed.

"From the first telephone call I made to register with CJS Recruitment, I have found everyone whom I have spoken to or met, extremely helpful and professional. I was provided with a service that was second to none and a placement that was perfect for me"

Company Roots and Ethos

We understand the importance of supplying the right people to our clients. Our management team carry out weekly site visits to ensure their standards are maintained and are contactable at all times to give you peace of mind that we will be there when you need us. Our site operatives want to work for us because we care. We want to make sure they work in a safe environment & go home to their families safely and are paid on time. We believe looking after our candidates best interests is one of our highest priorities. That is why we use The Guild and Guild Harbour as our CIS payroll companies.

Health and Safety

We guarantee that all our operatives have CSCS cards relevant to their field of expertise and, with the use of training and proactive reviews, we ensure that all our staff are trained to the highest standards. From our most senior managers to site operatives, our entire workforce has the necessary qualifications to assist them in their daily on-site activities. CJS Recruitment is committed to following the most stringent Health and Safety practices. As is compliant with industry standards, our managers and supervisors are SMSTS and SSSTS Trained and all operatives are PASMA & IPAF trained where appropriate. As a rule, all operatives attend a site safety induction prior to each project. CJS Recruitment have retained The Health and Safety People Limited (THSP) in accordance with 'Section 7 of the Management of Health and Safety at Work Regulations 1999' as their health and safety advisors and work hard to ensure that all our Health and Safety obligations are met or exceeded.

"CJS provides high quality labourers fast and in my opinion are the only labour hire specialist you'll ever need in construction. CJS listen and take on board your individual job requirements and ensure you are fully updated on appropriate candidates when they become available"

Bob Ranson, Contractor
